

# **FIRE ALARM GUIDELINE**

## **PRAGUE HARLEY DAYS 2026 – The Last Ride**

---

*Fire alarm guideline define the actions of people in the event of a fire.*

### **1. PROCEDURE FOR NOTIFYING A FIRE:**

*Anyone who notices a fire is obliged to extinguish it using all available fire extinguishing equipment / portable fire extinguishers /.*

*If their own strength and means are not sufficient to fight the fire, they must immediately raise the alarm and call for fire assistance.*

### **2. METHOD AND PLACE OF REPORTING A FIRE ALARM:**

*Anyone who discovers a fire will raise the alarm in the building/space by verbally calling:*  
**"BURNING"**

*And then personally to the event production worker or the fire brigade.*

*The fire report will be made from an available telephone directly to the Fire Department fire reporting office tel.. **150**. Při telefonickém ohlášení je nutné sdělit:*

**where is the fire – what is burning – who is calling – where is the call coming from (caller's phone number)**

### **3. PROCEDURE FOR CALLING A FIRE ALARM :**

*After a fire alarm is declared, each person will attempt to extinguish the fire on their own using available fire extinguishers and then assist in the possible rescue of persons and property according to their strength and capabilities.*

### **4. IMPORTANT PHONE NUMBERS :**

|                                  |                    |
